Re: Extension of Lisa Henderson, Dean of the Faculty of Information & Media Studies

---

On behalf of Western's Board of Governors and President Alan Shepard, it is my pleasure to inform you that Lisa Henderson has agreed to extend her appointment in the role of Dean of the Faculty of Information & Media Studies for an additional twelve months, through June 30, 2025.

Lisa joined Western as Dean of FIMS in 2019 and has provided strong leadership since her arrival and throughout the challenging COVID pandemic period.

Please join me in expressing my gratitude to Lisa and wishing her continued success in serving Western's academic and research mission together with her team in the Faculty of Information & Media Studies.
